## EVALUATION OF ATTAINMENT THROUGH RESULTS

### 1. RESULTS

College departments evaluates the attainments of POs and COs of the course

The method of evaluation of the POs and COs is as follows.

1. Attainment of POs and COs is measured directly in terms of performance of students in semester end examination conducted by the university.
2. After the declaration of university examination results, every department prepares programme wise and course wise result analysis report.
3. Departments evaluate overall attainment level for all POs and COs for each course as following method.

The level of attainment is considered as follows.

- ❖ If for a given course, if attainment score of course is greater than 90, but less or equal to 100, then overall attainment of POs and COs is said to be **‘Outstanding’**.
- ❖ If for a given course, if attainment score of course is greater than 80, but less or equal to 90, then overall attainment of POs and COs is said to be **‘Excellent’**
- ❖ If for a given course, if attainment score of course is greater than 70, but less or equal to 80, then overall attainment of POs and COs is said to be **‘Very Good’**.
- ❖ If for a given course, if attainment score of course is greater than 60, but less or equal to 70, then overall attainment of POs and COs is said to be **‘Good’**.
- ❖ If for a given course, if attainment scores of course is greater than 50, but less or equal to 60, then overall attainment of POs and COs is said to be **‘Average’**.
- ❖ If for a given course, if attainment score of course is greater than 40, but less or equal to 50, then overall attainment of POs and COs is said to be **‘Satisfactory’**.
- ❖ If for a given course, if attainment score of course is less than or equal to 40, then overall attainment of POs and COs is said to be **‘Unsatisfactory’**.

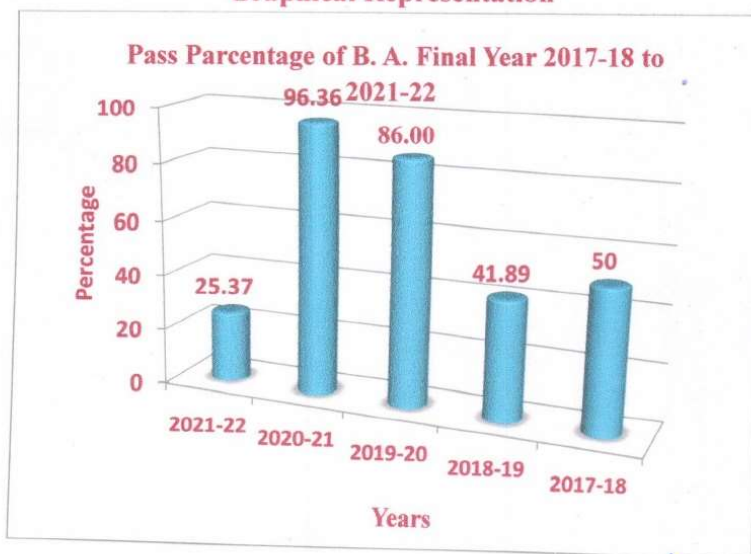

In this method, the attainment can be calculated by summing up the scores of students and dividing the total by the number of students who enrolled for the course. If attainment is good, the passing percentage is also good. Here attainment score give a best picture of how far students have understood the course rather than pass percentage.

**Dear Candidate,**

I am pleased to inform you that you have qualified for Junior Research Fellowship (JRF) and eligibility for Assistant Professor in June 2021 Joint CSIR-UGC TEST. The tenure of fellowship is five years and it commences from the date of declaration of NET result, i.e., **24.03.2022** (or) from the date of admission under M.Phil./Ph.D. (or) from the date of joining M.Phil./Ph.D. programme, whichever is later. The summary of financial assistance offered under the scheme is mentioned at **Annexure I** available on [www.ugc.ac.in/netjrf](http://www.ugc.ac.in/netjrf) along with other Annexures.

The Awardee is required to get admission and registration for regular and full time **M.Phil./Ph.D.** course in a University/Institution/College recognized by UGC at the first available opportunity **but not later than three years** from the date of issue of this award letter. University/Institution/College is requested to process for award of JRF based on this letter, in accordance with the procedure available on [www.ugc.ac.in/netjrf](http://www.ugc.ac.in/netjrf).

It may be noted that the fellowship amount shall be disbursed through Canara Bank to bank account of the Awardee (any bank) directly. UGC had developed a dedicated web portal (<https://scholarship.canarabank.in>) for capturing data of the awardee. The Universities/Colleges/Institutions will link the data of the awardee with the master data on the UGC web portal with unique Maker/Checker Ids which have already been provided to them along with the passwords. The Universities/Colleges/Institutions shall update the information in the master data (regarding monthly payment confirmation, HRA, up-gradation, resignation etc.) of the beneficiaries on monthly basis. Based on the data updated on UGC web portal by the concerned Universities/Colleges/Institutions, the payment of the fellowship will be made to the beneficiaries (Detailed process available at [https://www.ugc.ac.in/ugc\\_notices.aspx?id=2153](https://www.ugc.ac.in/ugc_notices.aspx?id=2153)).

It may also be noted that UGC had proposed to link "AADHAAR" with bank account of students so that there can be direct cash transfer and effective disbursal of fellowship into bank account of the student. In this regard, Secretary, UGC had requested the universities to help students in Aadhaar enrolment vide D.O. No. F.14-34/2011 (CPP-II) dated 11.01.2013

It may please be noted that the award is liable to be cancelled by Implementing/Awarding agency and it will also attract legal action against the Awardee in the following cases:

- i. If the awardee is found to be ineligible to receive the award at any point during the entire duration of fellowship.
- ii. Misconduct of Awardee,
- iii. Unsatisfactory progress of research work,
- iv. Failure in any examination related to M.Phil./Ph.D.,
- v. In case any other fellowship is drawn from other source(s).
- vi. Concealment of facts.
