-REPORT-**

A career counseling program was held in our Jijamata Mahavidyalaya, Buldhana on 05th April 2022 for all the students to understand various fields. The program was basically for the students of B.A, B.Com and B.Sc class .which are in their career deciding years. Our college counselor Dr. Suresh .N. Gawai organized the program in the Auditorium of the College at 9.00 am.

The Welcome address was completed by the chairman of the program Principal Dr.Prashant P.Kothe, who introduced the dignitaries present in the Guidance program. The program started by 9:15 a.m. after all the students were seated at the respective rows allotted for each class. Firstly our counselor introduced us to various courses of science, commerce and arts as the basics and then he explained us the area of opportunities in the outer world. He also encouraged us on choosing the field we're interested in rather than allowing somebody else to govern it. In the program we also learnt about various subjects of courses such as Commerce, History, Pol. Science, Economics and many more which are generally not told to the students. We should choose the subject and area in which we're genuinely interested and only then we will be able to succeed and make a name for ourselves. In this Programmer keynote Speaker Prof.Sagar Wakode told about various competitive examination and key of success in competitive examination, and also told their experiences while introducing about competitive examination. The program ended by 1.00 pm. Vote of thanks was sent by B.Com.- II Year Student Ku. Sakshi Wagh. Total 70 Participant presented in this program.

Report

The department of English at Jijamata Mahavidyalaya Buldhana hosted a programme on 'How to Prepare for an Interview in English?' on June 17, 2021. Prof. Pramod Katkar from Rajashri Shahu College of Engineering, Buldhana (RSCE) was the spokesperson in this program. Prof. Katkar said that if you're anxious before an interview, try to see it as a chance to enhance your life rather than as a threat. You'll have a better chance of getting the job of your dreams if you do your studying and confidently respond to interview questions. If nothing else, you should consider it valuable interview practise and a chance to improve for the following interview. Many students were registered and attended for this programme and noted it was really helpful for them.
