## **JIJAMATA MAHAVIDYALAYA, BULDHANA**

### **BEST PRACTICE -1**

### **GREEN AMBIENCE**

#### **Objectives of the Practice**

- To enhance the awareness about climate change, Ozone depletion and organic farming and sustainable utilization of natural resources.
- To make students comprehend the inter-relationship between components of ecosystem.
- To protect the natural habitats for conservation of wild species.
- To encourage students to collect seeds of crop plant.
- To make survey of plant diversity within college campus.
- To create interest and motivate students for study and research in plant science.
- To collaborate with NGOs to contribute prominently in spreading greenery.
- To disseminate the message of Nature conservation among students and citizens.

#### **Context**

Our planet earth is full of resources, some renewable and some are not, but unfortunately, we have an ever-growing population that poses a huge threat to all these resources. It is therefore unclear what future generations will find, if ever, and what life will be like for them if we exploit all the current resources. It is important to save our environment to enhance our health, protect our ecosystem, protect natural resources, fight climate change, control Pollution, preserve and protect life on Earth, and finally to pave the way for future generations. Students are the future of the country. They grow up and work for the betterment of the nation and world. Being most dominant species on earth human used natural resources abundantly than other species existed on our planet. So, human have to take the responsibility of the maintenance of the earth.

#### **The Practice**

Our Jijamata Mahavidyalaya is located in the heart of Buldhana town on 23 acres campus which is eco-friendly having rich plant diversity of herbs, shrubs, trees and lower plants like Bryophytes, Pteridophytes. Students and staff are actively engaged in several environmental protection activities conducted by Department of Botany, Zoology, NSS, NCC units and other departments to enhance the awareness for environmental conservation among students during 2023-2024

- **Ozone Conservation Day:** To spread awareness among the students about Ozone Layer 'Ozone Conservation Day' is celebrated by the department of Zoology
- **Microbiology Science fair:** Organized by Department of Botany and Microbiology.
- **Bird Week:** Installation of Artificial Nests for Birds.
- **World Sparrow Day** was celebrated by Department of Zoology to raise awareness of the house sparrow and other common birds their populations on 20 March. Earthen pots to provide water during summer season.
- **National Wildlife Week:** The National Wildlife Week aims at protecting and preserving flora and fauna.
- **Flora and Fauna Observation in the College Campus:** by Zoology students.
- **World Wetland Day:** Celebrated by Botany and Microbiology department.
- **Talking Tree JMV:** Android App was developed by the Department of Botany as an attempt to make trees speak using information technology. A board with the name of the tree & QR code is placed on the trees in the college.
- **Seed Bank** of Wild and Cultivated Plant Species is established in Department of Botany. Seeds are stored in earthen pots in traditional way.
- Method of Segregation of Degradable and Non-Degradable solid waste material is demonstrated from display board on college premises.
- **Tree Plantation and Conservation Drives:** Botany & Zoology Students, NCC and NSS Unit.
- **Activity of 'Swachhta Hi Seva'**
- **Creation of 'Amrit Vatika' under "Meri Mati, Mera Desh"**

### **Evidence of Success:**

- During Flora & Fauna observation in college campus many types of economically important plants seen, including about 278 plants and around 42 plant species.
- 50 fruit plants were planted by department of Botany in collaboration with '14 Trees Foundation, Pune'.
- Talking Tree App with QR code created interest and motivated students for study in plant sciences. Even students & staff from other colleges, and citizens are taking benefit of it.
- Some social groups joined our environmental practices and contributed in it. Thus, the practice attracted social involvement in institutional efforts to create green ambience on and off the campus.
- Various competitions motivated students to search, and read about environmental issues.
- Students understood traditional way Seeds storage.
- Under the initiative 'Meri Mati, Mera Desh', 75 saplings Amrit Vatika, Amrit Kundi was prepared by NSS unit.
- Members of Management, eminent citizens, officers, Alumni voluntarily involved in plantation in the College Premises.

### **Problems Encountered and Resources Required**

- Mortality rate of young plant is more than expectation due to rocky bed underneath

soillayer, plant diseases.

- Excess water logged during rainy season.
- Water scarcity and high temperature during summer season.
- Good quality of plantlets. More water resources required for large area.

## PRACTICES

### 1. A Grand Tree Plantation Program

#### Report on NSS Activity 2023-24

#### A Grand Tree Plantation Program

Title of Activity	-	A grand tree plantation program
Date	-	18 <sup>th</sup> July 2023
Chairperson	-	Dr. Prashant Kothe
Chief Guest	-	Mr. B. B. Mahamuni
Convener	-	Dr. D. J. Kande

A grand tree plantation program was organized on 18<sup>th</sup> July 2023 on the occasion of Additional Superintendent of Police Mr. B. B. Mahamuni's birthday by NSS department of Jijamata Mahavidyalaya, Buldhana in association with *Paryavaran Mitra Mandal* and Buldhana Police Department. On this occasion, 47 saffron trees were planted.

For this tree plantation program Additional Superintendent of Police Mr. B. B. Mahamuni with his wife was present also District Superintendent of Police Sunil Kadasane, Deputy Superintendent of Police Gulabrao Wagh, Thanedar Mr. Katkar, as well as environmental friends Pradip Dange, Anu Makone, Mukund Joshi, Nilesh Shinde, Sangeeta Punjabi, Mohnish Punjabi, Mr. Ahir of Nagar Parishad, Deepak Patil, Ananta Lhase, Kalpana Mane, Shahinatal Pathan, Sarthak Dange, Milind Chincholkar, Dr. Rathi Madam, Atharva Shinde, Jijamata College Principal Dhoke Sir along with Police Department Staff and all teacher, non teaching staff and students of Jijamata College were present.

<b>Head / In-charge</b>	: Dr. V. R. Kakde	<b>Assistant In-charge</b>	: Dr. R. M. Yewale, Prof. P. R. Thakare, Ms. S.L. Nalinde

#### Brief Information about the Activity

<b>Topic of Activity</b>	Tree Plantation Activity-2023-2024
<b>Objectives</b>	To promote interest in Life sciences & environmental Science. To aware students to planted more no. of trees. It is present need of the environment. Develops a environmental attitude to plant and conserve trees in the campus.
<b>Methodology</b>	1. Dig a proper planting hole 2. Planting trees 3. Showering of waters
<b>Mode (Online/Offline)</b>	offline
<b>Outcomes</b>	Tree plantation program provides an engaging and interactive platform for students to plant and conserve trees for betterment of the college campus. Tree plantation helps to sustain nature and maintain the dignity of human life on earth.

TREE PLANTATION PROGRAMME

26 July 2023

REPORT

(2023-24)

Department of Zoology, Botany & Microbiology organized Tree Plantation Program on the occasion of Kargil Day 26 July 2023. Tree Plantation is one of the best activities performed by the department of zoology and Botany. Trees contribute to their environment over long periods of time by providing oxygen, improving air quality, climate amelioration, conserving water, preserving soil, and supporting wildlife. During the process of photosynthesis, trees take in carbon dioxide and produce the oxygen we breathe. Trees help reduce greenhouse gases and prevent climate change. Trees help to reduce the threat of harmful UV rays from the sun from damaging your skin and eyes. Trees provide food, fuel, and fiber. Trees provide wood to make furniture and other objects including houses. For this program HOD of department Dr. V. R. Kakde Dr. R. M. Yewale, Prof. P. R. Thakare, Prof. A. T. More, Dr. Y.S. Rode Dr. R. W. Uuke, Prof. R. Kanake were present and planted trees in the botanical garden. This Tree Plantation activity successfully runs by the support of Principal Dr. P.P. Kothé Sir. There are 24 students participated in this program.

## **Report On**

### **Fruit Tree Plantation in College campus by '14 Trees Foundation, Pune' and Department of Botany**

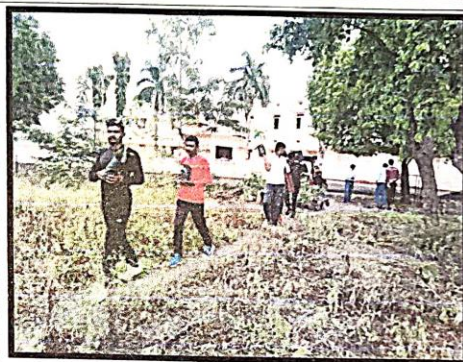

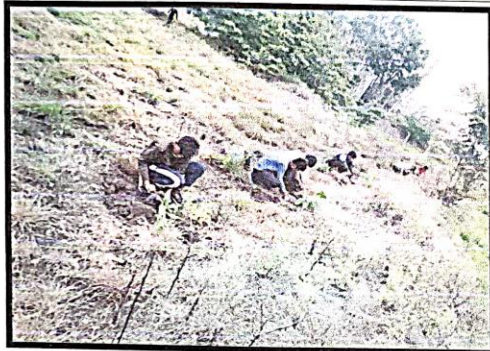

On 27<sup>th</sup> July 2023, department of Botany in collaboration with '14 Trees Foundation, Pune' planted the 50 (Fifty) wild fruit plants successfully. '14 Trees Foundation' is a charitable organization dedicated to building sustainable, Carbon-footprint-neutral eco-systems through re-forestation. College supports '14 Trees foundation' because it is a truly unique initiative to conserve plant diversity, in this way we together contributed in conservation of biodiversity. This tree plantation Programme successfully organized under the guidance of Respected Principal Dr. Capt. P. P. Kothe. On this occasion, Prashant Pawar (Manager, 14 Trees Foundation Buldhana Branch), Shri. Subhashrao Patil (Social Worker Kolwad, Buldhana), Dr. Sahebrao Bhalke (Former HOD Botany), Dr. G. R. Jadhao (Former HOD, Physics), Dr. J. J. Jadhao (HOD Pol. Science) were present.

Mr. A. T. More (HOD Botany), Dr. R. W. Ukey, Dr. P. S. Sarkate and Mrs. A. S. Shelke take efforts for success of the program. Students of Botany and NCC cadets were actively part of this plantation activity.

#### Brief Information about the Activity

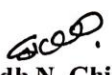

<b>Topic of Activity</b>	Microbiology Science Fair-2023
<b>Objectives</b>	To promote interest in microbiology and Life sciences. Engage students in learning new facts and inventions with a zeal of interest. To explore the creative talent of the students and force them to think outside of the box. Develops a scientific attitude towards his problem.
<b>Methodology</b>	1. Inauguration 2. Exhibition visit 3. Guidance Lecture
<b>Mode (Online/Offline)</b>	offline
<b>Outcomes</b>	It provide an engaging and interactive platform for students to showcase their scientific talent, exchange ideas , and learn from each other. And also increase their presentation skills.

### **Activity Report**

Today 04 August 2023 Department of Microbiology, Botany and Zoology at Jijamata Mahavidyalaya Buldhana has organized “Microbiology Science Fair -2023” Focusing on the theme of Recent development in Microbiology.

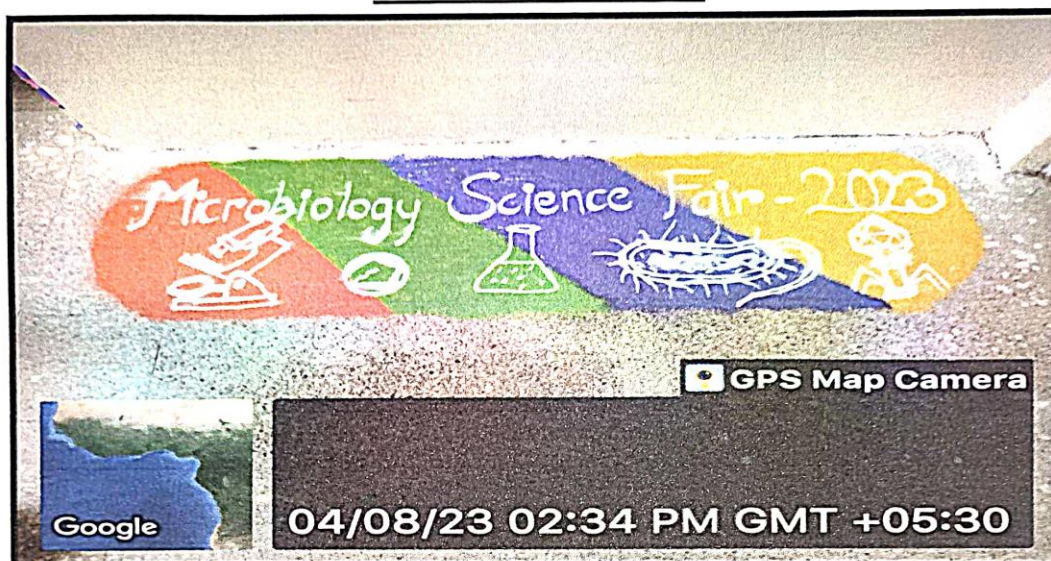

Chief Guest Dr. Atkare, Retired Principal of Shri Shivaji Science College, Akot and Dr. P.P. Kothe, Principal Jijamata Mahavidyalaya , Buldhana inaugurated the Scientific Model Exhibition cum Competition. Dr Atkare speech emphasized the need for Facilitating critical thinking among the students.

The Guest speaker of this Program was Retired Prof Jadhav Sir also gave the speech to students and motivate them. Furthermore, he demonstrated a few scientific tricks to make learning science a fun activity. The Judges of competition comprised of Prof. Bankar Assistant Professor Department of Physics, Prof. Salve Department of Mathematics. The Inaugural Function anchored by Sakshi Gawli B.Sc.-III year students. And the Vote of thanks Delivered by Mayuri B.Sc.-II year Student. The Guest and All faculty members observed the Exhibition. All the participant students show their models related to Microbiology and Life sciences. The First Winner of this competition is Dhanshree Late( B.Sc.-II), Second Gopal S. Ingle (B.Sc.-II), Srushti Gawai ( B.Sc.-III) .

For the Successful completion of this activity Prof A.T. More, Prof Sneha Kolhe, Prof Renuka Rajput, Prof Dr. R.W. Ukey, Dr. R. M. Yewale, Prof P.R.Thakre took efforts. IQAC coordinator Prof. Subodh Chinchole and all Science Faculty Members ,Prof Salve, Dr. Pahurkar, Prof Bankar, Dr. Rhode, Dr. Andhale, Prof Deshpande, Prof wagh also Visited and observed the innovative ideas of students.

### **Activity Report**

**Date:** September 16, 2023

**Venue:** Jijamata Mahavidyalaya, Buldhana.

**Activity:** World Ozone Day 2023 Celebrations

**Participants:** Students of Botany, Microbiology, and Chemistry departments of Jijamata College

**Description:**

On September 16, 2023, Jijamata College, Buldhana, India celebrated World Ozone Day with great enthusiasm. The students of Botany, Microbiology, and Chemistry departments organized a number of activities to raise awareness about the importance of the ozone layer and the need to protect it.

**The activities included:**

- A street play on the importance of the ozone layer and its role in protecting life on Earth
- A model poster presentation competition on the topic of ozone layer depletion and its prevention
- A quiz competition on ozone-related questions

The activities were well-received by the students and staff of the college. The street play was particularly effective in raising awareness about the ozone layer and its importance. The model poster presentation competition was also a success, with many students submitting creative and informative posters. The quiz competition was a fun and engaging way for students to test their knowledge about the ozone layer.

Overall, the World Ozone Day celebrations at Jijamata Mahavidyalaya, Buldhana were a success. The activities helped to raise awareness about the importance of the ozone layer and the need to protect it.

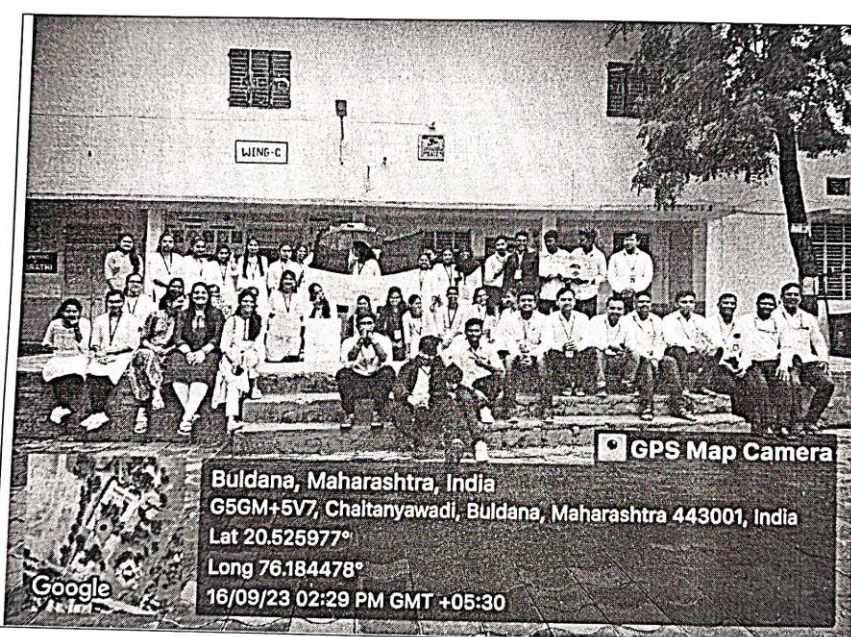

**Conclusion:**

The students of Jijamata Mahavidyalaya, Buldhana are commended for their efforts in organizing and participating in the World Ozone Day celebrations. The activities were well-planned and executed, and they had a positive impact on the students and staff of the college.

CELEBRATION OF WILD LIFE WEEK**

02-08 October 2023  
(2023-24)

**REPORT**

Department of Zoology, Jijamata Mahavidyalaya, Buldhana organized World Wild-life Week from 02<sup>nd</sup> to 08<sup>th</sup> October 2023 under the supervision and guidance of Principal Dr. P. P. Kothe sir. World Wild-life Week is celebrated every year in India. Word Wild life week is conceptualized in 1952 with the overall goal of raising awareness to serve the long term goal of safeguarding the lives of wildlife through critical action. The theme of World Wild-life Week 2023 is "Partnerships for Wildlife Conservation" encompasses all wild animal and plant species as a component of biodiversity, as well as the livelihood of people, especially to those who lives close to the nature.

The objective of celebrating Wildlife Week is to focus everyone's attention towards the importance of conservation of the wildlife and to discuss the issues related to the preservation of the wildlife. In our Department of Zoology several competitions has taken for awareness in students and uplift their internal qualities. Through Rangoli, essay, poster, competitions & Guest lecture, students will be upgraded. One day short study tour is also planning to visit Dnyanganga Sanctuary Botha forest, Khamgaon for the biodiversity study of flora and fauna. Guest lecture is also delivered successfully by Dr. Alok Shewade on save insects (odonates) on the occasion of Wild-life Week celebration. Dr. R.M. Yewale, Prof. P. R. Thakare, Mr. D. S. More took hard efforts for conduction of this program. The students have shown great zeal and enthusiasm by participating (72) in different activities.

**Excursion Study Tour**

**Date: 07/10/2023**

**Value of the Study Tour**

Field study is an essential part of the study of the life sciences. Only classrooms instructions cannot bring the all-round development of the students. To widen the sphere of mental level of the students, any should give a chance to get direct and firsthand experience to see the things themselves. To study animals in the natural environment where all the animals live in their natural habitat is one of the most interesting and useful experience for a student of Zoology. This enhance the knowledge that we learnt from our classroom discussion and Laboratory experiences in which we can observe, study and experience is quite a good thing.

The second important aspect is apprehending knowledge of thing is always required for one of the starts of the particular study. And one can hope to achieve experience of the interaction of the living with their environment from such a field trip. In fact, classroom study and field study are supplementary to each other. It also motivates the students to learn science in their first hand and stimulates their interest. The Scientific facts and principles become more realistic to the students when they see the relation between science and the society. Moreover, the students learn to co-operate amongst themselves and also with the member of the community. As a result, it develops the power of critical thinking so that they apply element of scientific method. Lastly, but not the least, it develops self confidence and leadership in the students.

To keep all these views, teachers took keen interest to organized one day short study tour for the students.

**OBJECTIVES OF THE STUDY TOUR**

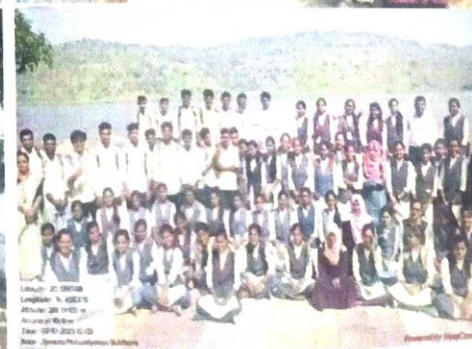

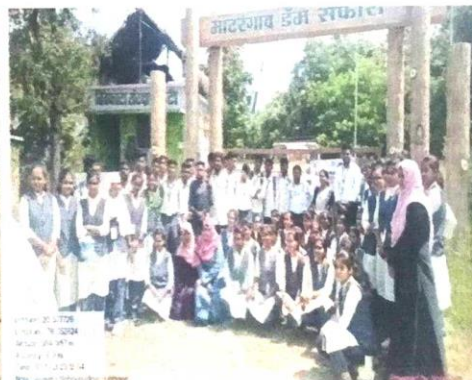

1. Observation & identification of flora and fauna in Dnyanganga Sanctaury
2. To study the environment of Dnyanganga Sanctaury
3. To observe the habitat of wild life animals like Nilgai, leopards, sloth beer, deer's, reindeer, wild cats, vultures etc.
4. Collection of species for both dry and wet preservation

## Excursion Study Tour Report (Date: 07/10/2023, Saturday)

It was bright sunny morning of 07 October 2023, **Saturday**. We teachers and students arrived at College campus near to Banyan tree in Jijamata Mahavidyalaya, Buldhana at about 08:00 A.M. There are 03 Teachers and 01 Non-teaching staff with 71 students of B.Sc. Part-I, II and III participated in this tour. During this time teachers instructed to students does and don't and the purpose of the trip etc. Then after, students are instructed to proceed for their arrangement in cruiser cars.

We all reached the gate of the spot at around 09: 30 A.M. in Dnyanganga Sanctaury, Botha forest, Khamgaon. At this time students visited and observed dam shore area near to Botha forest dam. After that all students moved toward forest area where Range Forest Officer Mr. D.C. Lokhande gives us information which was really helpful to all of us during study tour. He also provides us waiting shed inside the forest. Then we took our breakfast at around 10:30 AM. After breakfast we start our observation. Some of the students collecting aquatic insects and some are collecting the land animals' photographs. Some students took photographs of flora and fauna in the forest. After that we moved toward Matargaon Dam Safari street in the Botha forest with guide Forest guard Ku. R.R. Wadekar. She was given informative material about wild animals of forest. We also interact with the local people to know the locally available diversity of animals in the environment of Botha forest.

### Report on NSS Activity 2023-24

#### Creation of Amrit Vatika under "Meri Mati Mera Desh" Initiative

Title of Activity	-	Creation of Amrit Vatika under "Meri Mati Mera Desh" Initiative
Date	-	5 <sup>th</sup> October 2023
Chairperson	-	Dr. Prashant Kothe
Convener	-	Dr. D. J. Kande

On the occasion of the Amrit Jubilee year of Indian Independence, under the initiative 'Meri Mati Mera Desh', 75 saplings Amrit Vatika, Amrit Kundi was prepared by NSS department of Jijamata Mahavidyalaya, Buldhana under the guidance of Dr. Prashant Kothe, Principal of Jijamata Mahavidyalaya, Buldhana. For this activity, the principal of the college Dr. Prashant Kothe made available a total of 75 saplings of which 40 of palm species and 35 of other species and also made available a total of 75 pots. In that pots, the teachers and non-teaching staff and NSS volunteers of the college put the soil collected from their localities into the pots.

Thus, on the occasion of the Amrit Mahotsava year of Azadi, tribute was paid to the brave revolutionaries who sacrificed their lives for the freedom of the country by preparing a nectar vase of 75 plants and the soil was bowed down.

During this activity, the principal of the college Dr. Prashant Kothe along with Prof. Dr. J. J. Jadhav, Dr. Bharat Jadhav, NSS Program Officer Prof. Dr. D. J. Kande, Dr. Anant More, Prof. Sanjay Salve, Prof. G.P. Deshmukh, Dhananjay Tathe and NSS volunteers were present in large numbers.

# जिजामाता महाविद्यालयात 'मेरी माटी मेरा देश' उपक्रमांतर्गत अमृत वाटिकेची निर्मिती

देशोन्नती वृत्तसंकलन...

**बुलढाणा** ■ स्थानिक जिजामाता महाविद्यालय बुलढाणा येथे महाविद्यालयाचे प्राचार्य डॉ. प्रशांत कोठे यांच्या मार्गदर्शनाखाली राष्ट्रीय सेवा योजना विभागाच्या वतीने भारतीय स्वातंत्र्याच्या अमृत महोत्सवी वर्षानिमित्त 'मेरी माटी मेरा देश' या उपक्रमांतर्गत ७५ रोपांची अमृत वाटिका, अमृत कुंडी तयार करण्यात आली.

या उपक्रमासाठी महाविद्यालयाचे प्राचार्य डॉ. प्रशांत कोठे यांनी पाम जातीच्या ४० व इतर ३५ अशा एकूण ७५ रोपांची व कुंड्यांची उपलब्धता करून दिली. त्या कुंड्यांमध्ये महाविद्यालयातील शिक्षक-शिक्षकेतर कर्मचारी व रासेयो स्वयंसेवकांनी आपापल्या परिसरातून

माती संकलित करून माती कुंड्यात टाकण्यात आली. अशाप्रकारे ७५ रोपांची अमृत वाटिका तयार करून आझादीच्या अमृत महोत्सवी वर्षा निमित्त ज्या क्रतिकारकांनी आपल्या प्राणाची आहुती देऊन देशाला स्वातंत्र्य प्राप्त करून दिले त्या शूरवीरांना आदरांजली अर्पण करण्यात आली व मातीला नमन

करण्यात आले. या उपक्रमाच्या वेळी महाविद्यालयाचे प्राचार्य डॉ. प्रशांत कोठे यांच्यासह डॉ. जे. जे. जाधव, डॉ. मरत जाधव, रासेयो कार्यक्रम अधिकारी डॉ. डी. जे. कांदे, डॉ. अनंत मोरे, प्रा. संजय साठवे, प्रा. जी. पी. देशमुख, धनंजय ताठे व रासेयो स्वयंसेवक मोठ्या संख्येने उपस्थित होते. (क्र.प्र.)

#### Brief Information about the Activity

<b>Topic of Activity</b>	Bird Week Celebration-2023
<b>Objectives</b>	To celebrate Bird Week to create awareness among the masses about the rich biodiversity of the birds. To protect birds in various ways including legislation, preserving and restoring bird's habitat and establish captive populations for reintroductions. To protect the remaining populations of endangered species by banning hunting, giving legal protection to their habitats and finally, restricting wild life trade.
<b>Methodology</b>	<ol style="list-style-type: none"> <li>1. The program started inaugurating the theme of Bird Week -2023 "Water-Sustaining Bird Life".</li> <li>2. Made water feeders pots to the thirsty birds in the campus</li> </ol>
<b>Mode (Online/Offline)</b>	offline
<b>Outcomes</b>	Through Bird week celebration, students got idea how to make water pots for thirsty birds. Students provide a helping hand in ensuring the continuation of the biodiversity prevalent in our planet.

DEPARTMENT OF ZOOLOGY  
BIRD WEEK CELEBRATION

REPORT (2023-24)

Every year Department of Zoology organized Bird Week Celebration on dated 05 to 12 November in the memory of Birth Anniversary of Dr. Salim Ali and Great Naturalist Maruti Chittampalli. Maharashtra Government released a GR-WULP/1020/197/f-1/dt 27/10/2020 for the celebration of Birds Week during 05<sup>th</sup> Nov to 12<sup>th</sup> Nov. every year. 05<sup>th</sup> Nov is the birth anniversary of Great Ornithologist Dr. Saleem Ali. On this occasion a week 05<sup>th</sup> Nov. to 12<sup>th</sup> Nov was celebrated as Birds Week. B.Sc. Part-I, II & III year students made water pots for birds in the college campus inside and outside. Students created models during this occasion. This week was successfully and smoothly conducted through guidance and support of College Principal Dr. Prashant P. Kothe.

On

### Celebration of 'World Wetland Day-2024'

---

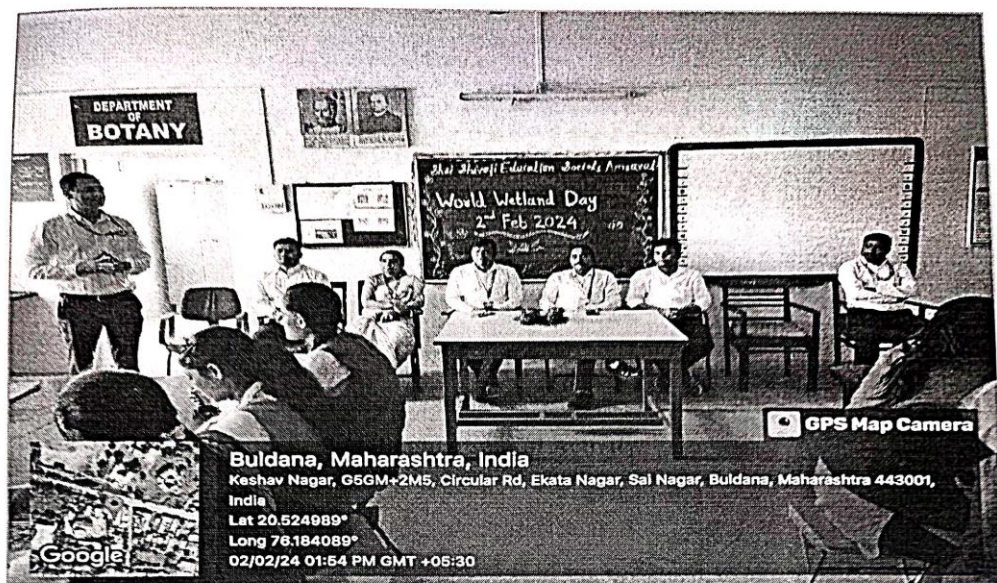

On 2<sup>nd</sup> February-2024, under the guidance of Respected Principal Dr. P. Kothe, 'World Wetland Day-2024' successfully organized by our department of Botany. On this occasion Dr. Anant T. More, Head of Department of Botany has delivered detailed informative talk about wetland and control measures of its loss. While Dr. J. J. Jadhao, Head of Arts Faculty and Head department of Political Science of our college was present a Chief Guest. They discussed on Wetland loss and its impact on human.

For this program we get good response from all B.Sc. I, II, and III (Bio Group) 80 Students have participated. For this program Dr. Rajshri Yewale, HOD Zoology, Prof. P. Thakare, Dr. G. Andhale, HOD Chemistry, Dr. A. Deshpande and Dr. P. Wagh were present. The program was anchored and vote of thanks given by Dr. R. Ukey.

## 11. World Sparrow Day

SHRI SHIVAJI EDUCATION SOCIETY AMRAVTIS  
JIJAMATA MAHAVIDYALAYA, BULDHANA  
DEPARTMENT OF ZOOLOGY  
WORLD SPARROW DAY  
20 MARCH 2024

### REPORT

Department of Zoology organizes World Sparrow Day on dated 20 March every year. As we know, Sparrow birds are so much important to balance the ecosystem well in form. Maintaining ecological system and balance, human beings must need to protect the sparrow bird and others bird too in the environment. Head Dept. of Zoology Dr. R. M. Yewale, Prof. P. R. Thakare, Mr. D. S. More has taken initiatives to made water pots and feeds grains to the sparrows in the college campus. Colleges Principal Dr. P. P. Kothe has been actively participate in such sparrow day programme. They told that Sparrow birds are good pollinators and indicators of biosphere. Sparrows are also acts as insects, larval eaters of the nature. Now in this global era, our prime duty is to saving sparrows and ultimately saves the nature too.

B.Sc. students and teachers are feeding the waters to thirsty sparrows and other birds in the college campus.

B.Sc. students made the water pots for sparrows and other birds

## चिमण्यां संवर्धनासाठी लावले पाण्याचे पाँट व घरटे

बुलढाणा, २२ मार्च (गुड इव्हनिंग सिटी) : स्थानिक जिजामाता महाविद्यालय, बुलढाणा येथे २० मार्च रोजी प्राणीशास्त्र विभागातर्फे जागतिक चिमणी दिन मोठ्या उत्साहात साजरा करण्यात आला. चिमणी हा पक्षी पर्यावरणाचे रक्षण व संवर्धन करिता महत्त्वाची भूमिका बजावतो. जैव परिसंस्थेचे संतुलन राखण्यामध्ये चिमण्यांची महत्त्वाची भूमिका आहे. चिमणी ह्या पक्षाचे संरक्षण करून निसर्गाचे संवर्धन करण्याकडे लक्ष वेधण्याकरिता आजच्या चिमणी दिनी हा महत्त्वाचा उपक्रम घेण्यात आला. जिजामाता महाविद्यालयातील प्राणीशास्त्र विभागातील विद्यार्थ्यांनी कृत्रिम घरटे तयार करून ते

महाविद्यालयातील परिसरातील झाडांवर लावले तसेच पक्षा साठी पाण्याची व्यवस्था केली. या प्रसंगी बोलताना महाविद्यालयाचे प्राचार्य डॉ. प्रशांत कोठे यांनी चिमणी हा पक्षी निसर्गाचे समतोल राखतो शेतकऱ्याच्या शेतामध्ये हानिकारक असलेल्या कीटक, अळ्या, घातक किड्यांना संपवण्याकरिता पक्षी महत्त्वाची भूमिका बजावतात, व शेतकऱ्याचा खरा मित्र म्हणून चिमण्या निसर्ग संवर्धक आहेत, चिमण्यांचे रक्षण

करणे ही काळाची गरज आहे असे वक्तव्य केले. तसेच वाढत्या तंत्रज्ञानाचा बेसुमार वापर व भ्रमणध्वनीच्या रेंज संपर्कात आल्याने चिमणी पक्षाचे आयुर्मान हळी फार घटले आहे, अशी दुःखद खंत सुद्धा यावेळी त्यांनी व्यक्त केली. प्राणीशास्त्र विभागातील कार्यरत कर्मचारी व विद्यार्थी यांनी मिळून पक्षी संवर्धनाची शपथ घेतली. यावेळी बी.एस.सी. भाग-प्रथम द्वितीय व तृतीय विद्यार्थ्यांचा प्रामुख्याने समावेश होता. प्राणीशास्त्र विभाग प्रमुख प्रा. डॉ. राजश्री येवले, प्रा. पवन ठाकरे, दिलीप मोरे हे यावेळी उपस्थित होते.
